Rev 2 - Publication 2026

We invite you to visit our Dealer Portal, available on our website at www.fattruck.com, to access the latest versions of parts catalogs and related documentation. The portal is regularly updated to ensure you have the most current information available.

This parts catalog is provided as a reference tool to assist in locating and ordering parts for your FAT TRUCK® industrial off-road vehicle. Zeal Motor recommends using **only** genuine FAT TRUCK® parts, designed and tested to deliver optimal performance and reliability.

When placing a parts order, always provide complete parts information along with the vehicle identification number (VIN). Zeal Motor is not responsible for errors resulting from incorrect or incomplete information supplied at the time of ordering.

Always follow the manufacturer's procedures and recommendations when installing parts. Zeal Motor disclaims any liability arising from improper installation or the use of non-genuine or unapproved FAT TRUCK® components.

Zeal Motor reserves the right to modify, revise, or update this catalog at any time without prior notice. Some
